

86 NICOLA BREYTENBACH

LAST YEAR 7 AGE 26

CLAIM TO FAME This gorgeous international model is one of South Africa's best exports! And thankfully, she's more successful abroad than the SA Cricket World Cup team! Her pert bottom and dazzling green eyes in the *FHM* Calendar 2006 still make us feel funny... in a good way!

MEET THE STARS Sadly for us, but lucky for one oke, Nicola is engaged to an American. At least he's not an Aussie. We don't think our egos could take another a loss like the one we've just experienced!
