Holidaying With The Stars

WE recently spotted South African-born model Nicola Breytenbach and husband Ben Steiner on a lovely break in Switzerland. The couple jetted into Gstaad to spend some time with Ben's family – and some well-deserved R&R of course. The tiny town of Gstaad has been a celebrity hideaway for the rich and famous for years, and now that Nic is staying in New York and enjoying the lifestyle of a star, it makes sense that she'd take a trip down there. Nicole is currently working on her new perfume, which will be launched early next year!
