Quality Time For Nicola And Ben

EXCLUSIVE PICTURES!

NICOLA BREYTENBACH might live in Trump Towers in New York City, mingle with the stars on a daily basis and have a career most women could only dream of. But, all that aside, she's just a Plain Jane who's very much in love – and enjoying every minute of her relationship with fiancé Ben Steiner.

The SA beauty and her man, who seem to be happier by the day, were recently spotted taking a stroll at his family farm in Washington. The couple often go there to get away from the chaos of New York, and their busy lifestyle. And, by the look of things, it worked!
